

PROPERTY VALUATION

The State Corporation Commission Makes Interesting Report.

CAMPAIGN HEADQUARTERS

Watts Law Not a Paramount Issue, But Will be Defended by the Democrats.

(Special to The Times-Dispatch.)
RALEIGH, N. C., July 28.—The North Carolina Corporation Commission made public to-day their reassessment of railroads, telegraph and telephone lines, street railways and other public corporations for the 1904 tax assessment. The statement shows that there are 8,760.58 miles of railroad in the State valued for taxes at \$69,434,073.01, being a gain of 56 miles and \$64,000 in valuation. The principal systems and their valuations are: Atlantic Coast Line, 47.83 miles, valued at \$24,444,014; Seaboard Air Line, 62.12 miles, valued at \$12,500,000; Southern Railway, 489.41 miles, valued at \$17,750,000; Norfolk and Western, 311.11 miles, valued at \$11,111,111; Chesapeake and Potomac, 111.11 miles, valued at \$11,111,111; miscellaneous lines of railroads, 663.58 miles at \$2,211,438.01.

The valuation of quasi public corporations aggregates \$4,844,448.52, which added to the railroad valuations, gives a grand total of \$74,278,521.53. The reassessment, as assessed by the commission, an increase of \$2,836,000 over the assessments for last year. Some of the most notable other than railroads are Western Union Telegraph Company, \$27,924; telephone companies, \$2,712; Southern Express Company, \$40,100; Pullman Car Company, \$18,400; electric light and gas companies, \$24,690; street railway companies, \$1,561,100; water works companies, \$40,125; steamboat companies, \$179,600; bridge and canal companies, \$22,600; refrigerator companies, \$184,032.

The commission will at once certify the valuations of the several corporations in the State to the respective counties for the collection of taxes. Mecklenburg leads with \$2,238,799.21 and Guilford is second with \$2,235,230.58, and Wake county is third, with \$1,834,731.83.

State Chairman F. M. Simmons has rented rooms on the first floor of the old Carrollton Hotel, on Fayetteville Street, as Democratic headquarters for the impending campaign. He says the campaign will not open until about September 1st, but that the headquarters will be in the city for the next two weeks.

Robert B. Glenn, Democratic nominee for Governor, who spent the past two days here, says he has only three appointments at this time for campaign speeches. He will be at Fayetteville, Rockingham, August 2d; at Shallowford, Mecklenburg county, August 10th, and at Pittsboro, Chatham county, August 16th.

"I did not intend to say," said State Chairman Simmons to-day, "in my speech before the State Democratic convention, that the law is a paramount issue in the campaign in this State. There is no paramount issue, but a number of very important issues. The Republicans have made the Watts act an issue and our position as Democrats is in the defense of our legislation. The Republicans have espoused the liquor traffic."

HAND BOOK.
Francis D. Winston, Democratic nominee for Lieutenant-Governor, will spend the next two weeks at Beaufort, attending State Chairman Simmons. In the preparation of the Democratic hand book to be used in the impending campaign, it is to be issued within a month. Application has been made to the Southern Railway Company for a special train from Selma to Asheville, August 20th, for the accommodation of the Democratic veterans attending the annual reunion in Asheville August 20th and 21st. A rate of one cent a mile has already been secured on regular trains. The people of Asheville are to furnish free entertainment in their homes.

The date for the hearing of the application for the writ of habeas corpus for Charles Wilkins, accused of killing Gray Speight, has been changed by Chief Justice Walter Clark to Saturday night of Friday. The murder was in Goldsboro, and some sensational developments are expected at the hearing here. Wilkins will attempt to show that he was not the man who shot Speight, but that the fatal cutting of Speight had been done by a small negro boy and the lad's father had taken the matter up. The probability of the father of the boy having inflicted the fatal wounds, will be urged.

STRONG PLEA FOR BREESE

Under Indictment for Seven Years—No Evil Intent.

(By Associated Press.)
CHARLOTTE, N. C., July 28.—The arguments of attorneys in the Breese embezzlement case began this morning, and will be completed to-morrow, and the case given to the jury in the afternoon. Assistant District Attorney Price was argument he said:
"We say, gentlemen of the jury, that this man, W. E. Breese, wilfully and knowingly appropriated to his personal use the money and funds of the First National Bank of Asheville, which had been entrusted to his care and keeping as president of the institution. The bill of indictment charges in sixty-three counts that this defendant drew certain checks in payment of his personal expenses, when he knew he had no money in the bank."

The speaker contended that there was no dispute as to these charges. J. S. Adams, for the defense, referred to the long and relentless effort of the government in prosecuting the case and said:

"Despite all this he looks the world in the face with steady gaze. It is not the taking of money from a bank that makes a crime, but the intent with which the money is taken. He contended that there was no evil intent.
Colonel H. C. Jones contended that it was the course which comes from innocence that enabled Breese to maintain himself for the seven years he had been under indictment.

Ex-Judge F. I. Osborne, late of the United States Court of Private Land Claims made a strong plea for the defendant, saying, among other things:
"I've lived in 1891 that he owed \$250, and in 1892 that he owed \$100, and in 1893 that he owed \$100, and in 1894 that he owed \$100, and in 1895 that he owed \$100, and in 1896 that he owed \$100,
